OVERVIEW

This progressive 4 -channel DJ mixer is designed for DJ's of all abilities and experience from top pro DJ's to bedroom enthusiasts who want a compact quality mixer with pro features to mix any source – whether vinyl, CD or MP3.

The USB port allows easy connection to a computer and the integration of digital media, which can be used to play back music files from a laptop, record mixes, or used with music software.

The revolutionary 'X-FX' control allows easy signal routing to external FX in combination with the Xone VCF filter system. Brimming with features, this compact mixer is a favourite in many DJ studios, bars and clubs.

FEATURE SUMMARY

- ▶ 4 dual stereo channels (2 phono/line, 2 line/line)

- ▶ 3 band EQ +6dB to total kill
- ▶ Rotary X-FX control for routing to external FX
- ▶ VCF filter with resonance & frequency controls
